In regard to die ease and its cure, the adaptation of remedies is not less striking. The Moss of Iceland and the Pine and Wild Cherry are justly celebrated for the cure of all diseases of the Lungs and Liver, which are so fearfully prevalent in all northern latitudes. From a combination of Chemica Extracts procured from this 'Moss,' and these 'Trees,' Dr. Wistar's Balsam of Wild Cherry is chiefly formed. From the Harrison (Ind.) > cured me when the physicans said I must die, and when I thought myself that my time to depart was near at hand. WILLIAM COLDRON. SPRINGFIELD, KY., May 14,1 845. Messrs, Sanford & Park: I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Baisam of Wild Cherry. In the year 1840, I was taken with an inflammation of the bowels, which I labored under for 6 weeks, when

I gradually recovered. In the fail of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit; and thus I wearid along until the winter of 1844, when I heard of Wistar's Balsam of Wild Cherry. My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry The effect was truly asionishing. After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most re-peciable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry. I am now chitis, Asthma. Whooping Cough, pains or weakness in the chest, enjoying good health, and such is my altered appearance, that I am no longer known when I meet my former acquaintances. I have gained rapidly in weight, and my flesh is firm and solid. I can now eat is much as any person, and my food seems to agree with me. I have enten more during the last six months than I had eaten in five years before. Considering my case almost a miracle I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where relief may be had,) to make this statement public. May the blessings of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Yours respectfully,
